

**Take me home**

Cecilie Noer

**Verse 1:**

G Em Bm A  
 Now it is the time to say i am sorry, things just slipped out of hand and  
 Em F#m G Bm A  
 it took me by surprise another time will you tell me whats really on your mind

Em F#m G  
 Cause i waited for hours, a long drive on highways  
 Bm A  
 with no place I had to go  
 Em F#m G  
 While i waited for leaves to be green  
 Bm A  
 feelin dizzy, in places i didn't know i would go

**verse 2:**

G Em Bm  
 But now it is the time to say that this will pass  
 A  
 this too shall pass

Em  
 another life is in your hand  
 F#m G  
 oh in your hand  
 Bm A  
 oh God let her know it was never out of hand

Em F#m G  
 cause you wrote her a song never left her alone  
 Bm A  
 took away all the fears from before  
 Em  
 while you took it away  
 F#m G Bm A  
 all the sorrow and shame, when you kissed her goodnight on the floor

**Chorus:**

G Bm D  
 so wrap your arms around me  
 A  
 let me feel your breathin  
 Em F#m G  
 take me home

G Bm D A Em  
 and see me through the shadows of an angels choir  
 F#m G  
 and take me home

**After Chorus:**

G Em Bm A  
 Em F#m G Bm A  
 Uhh

**verse 3:**

G  
 So now it is the time  
 Em Bm A  
 you feel his heartbeat in your chest oh why  
 Em F#m G  
 And i didn't know you well, didn't know well  
 Bm A  
 till now, it was never too late to tell

Em F#m G  
 that he wrote you a song, never left you alone  
 Bm A  
 and you saved his words till end of days  
 Em F#m G Bm  
 and the hope that you had was enough for the past to turn to  
 A  
 a brighter day
